UPDATE ON RENOVATION:

With great joy we are pleased to announce the completion of the renovation in St. Pious Room and in the Property, changing the drainage lines, both storm water and sanitary lines.

We wish to extend our heartfelt thanks to all our parishioners, understanding, patience, and cooperation throughout this project. We recognize that the construction work brought temporary inconveniences especially to our use of the driveway and entrance, we also had to face some unexpected challenges during the project, but your cooperation made a difference and made this journey much easier.

A special word of appreciation to the Finance Council and Property Committee for their dedication, guidance, hard work, and commitment in planning, overseeing, and bringing this important project to completion.

Thank you once again for being part of this journey. May God bless each one of you abundantly for your generosity, patience, and unwavering commitment to our parish. Together, we have accomplished something wonderful for our parish community. Let us rejoice and give thanks to God! Any contributions towards this project are greatly appreciated.

With heartfelt gratitude and joy!
